Continuation-In-Part Application Filed

A continuation-in-part application is filed on even date herewith. This application is not to be construed as an acquiescence to any outstanding rejection in any way or form.

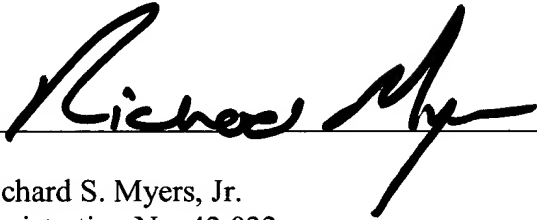

As stated in M.P.E.P § 201.08:

The mere filing of a continuation-in-part does not itself create a presumption that the applicant acquiesces in any rejections which may be outstanding in the copending national nonprovisional application or applications upon which the continuation-in-part application relies for benefit.

The instant continuation-in-part was filed, *inter alia*, to disclose improvements and introduce new embodiments of the present invention.

If the Examiner has any questions regarding this correspondence, or the Application in general, she is respectfully invited to contact the undersigned.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Richard Myers, Jr.", is written over a horizontal line.
